PR11246

Estate of Jennifer A. Russ

Hearing type: Further hearing re petition for final distribution and attorney fees
Executors: Daniel William Guse and Jeremy Ryan Dana
Executors' counsel: Tamara M. Polley

The Court has reviewed the documents filed since the August 5, 2016, hearing. While the accounting is now properly waived by the trustee and the trustee has filed the statement required by local rule 5.18.0, subdivision (h), the Court notes a continuing inconsistency in the file: Mr. Dana simultaneously filed his own "Acknowledgment Accepting Property" on August 18, 2016, that continues to identify him as a beneficiary of the decedent's estate; the content of this document also does not match the title, as Mr. Dana is not the trustee and is not accepting property under the terms of the trust.

In addition, as of August 21, 2016, the executors still have not addressed two other issues raised by the probate notes for the August 5, 2016, hearing:

1. The petition addresses only one of the two creditor claims filed, and it lacks the detail required by California Rules of Court, rule 7.403 and local rule 5.18.0, subdivision (o).
2. The verification is incomplete.

PR11286

Estate of Raymond C. Behrbaum

Hearing type: Further review re inventory and appraisal
Executor: Lori Behrbaum-Noriega
Executor's counsel: Timothy T. Trujillo

The Court has reviewed the Inventory and Appraisal form filed on July 19, 2016, which is titled "Partial No. One" and reflects that it contains only a portion of the estate that has come to the executor's knowledge or possession. Pursuant to Probate Code section 8800, subdivision (c), all inventories and appraisals shall be filed within four months after letters are issued to the personal representative, except where further time is allowed by the Court. The four-month period following issuance of letters expired on July 4, 2016. On July 8, 2016, the Court allowed an additional month and a half because of difficulties the appraiser was reported to be having regarding real property in Calaveras County. The Inventory and Appraisal form reflects an appraisal of parcels in Calaveras County, which suggests the reason for the previous delay has been resolved. However, there is no explanation as to why the entire estate has not now been inventoried and appraised. Appearance required if no explanation is filed and mailed to all persons entitled to notice of the inventory and appraisal prior to the hearing.
